YOU'LL ALWAYS HAVE SOMETHING TO DO.

HOW-TO GUIDE: INTERNET.

BMW ConnectedDrive
So connected, you're free.

INTERNET.

What is the service Internet?

Thanks to the permanently installed SIM card, the service Internet from BMW ConnectedDrive enables you to access the infinite possibilities of the World Wide Web. With no mouse, no extra monitor, but all very quickly and conveniently by iDrive Controller and the integrated high-resolution control display. And surfing in your vehicle functions just as easily as if you were at home.

Requirements for use:

- Ordering of option ConnectedDrive Services (6AK)
- Afterwards the option Internet (6AR) can be booked

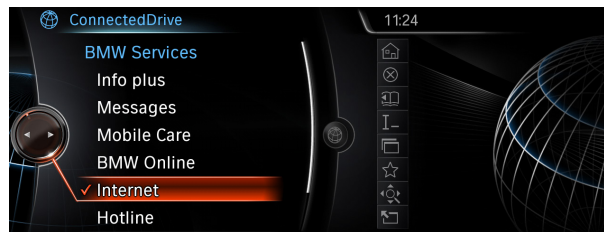

HOW TO USE THE SERVICE INTERNET.

1.

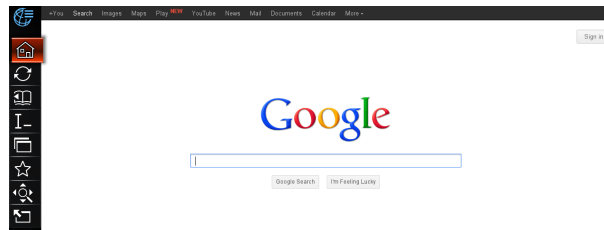

Select 'ConnectedDrive' in the main menu.

2.

Click 'Internet' in the ConnectedDrive menu.

3.

The following functions can be selected in the navigation bar on the left:

- Restore page
- Direct URL entry
- Open multiple tabs
- Definition of favourites
- Zoom function

Please note: For safety reasons, the service Internet is only available up to a speed of 4 km/h.
